# Jaime Andrés Arau Pontones

+34657402968 / andres.arau@outlook.com Calle Granada 41, piso 604. Madrid, Spain. C.P 28007

Self-employed consultant with 10 years of experience in the design and implementation of household surveys, dashboards, and MEL systems. My expertise lies on combining data science with MEL approaches in order to enhance learning and facilitate ongoing adaptation and accountability of development programmes. By having led several large-scale surveys internationally, I have also gained extensive expertise in training teams, quantitative analysis, and data visualisation.

## INTERNATIONAL EXPERIENCE

Austria, Canada, Colombia, Cuba, Ghana, India, Kenya, Madagascar, Mexico, Mozambique, Nigeria, Peru, Sierra Leone, Spain, Sweden, United Kingdom, USA, Vietnam

## **EDUCATION**

MSc. In Economic Development and Growth   Lund University and Carlos III de Madrid	2012-2014
B.A. Honours in Economics with a minor in Global Studies   University of Ottawa	2005-2009

#### PERSONAL SKILLS AND COMPETENCES

Spanish (native), English (fluent), Portuguese (basic) Languages

Software ArcGIS, Google Maps, Google Sheets, HTML 5, KoBoToolbox, Leaflet, MS Excel, NVivo,

Power Bi, Shiny R, Stata, Survey Solutions, Zoho

## **PROFESSIONAL EXPERIENCE**

## **Independent Survey Consultant and Associate at Oxford Policy Management**

2019 - present

- Advice on survey implementation internationally;
- Design frameworks and tools to monitor large development programmes;
- Build local capacity to robustly implement data collection exercises;
- Data visualization, GIS, and interactive dashboards.

# Consultant | Oxford Policy Management, Oxford

2015 - 2019

- **Survey specialist:**
- Design and implementation of large data collection exercises internationally;
- Development of system and real time dashboards for Data Quality Assurance of household surveys;
- Questionnaire design and CAPI programming.

# Project Manager | C-230 CONSULTORES / FUNDACIÓN IDEA, Mexico City

2014 - 2015

- Evaluation design and econometric data analysis;
- Training and management of fieldwork teams for data collection exercises

## Summer intern. Gender diversity unit | INTER-AMERICAN DEVELOPMENT BANK, Washington D.C

2013

Evaluation design and econometric data analysis

## Monitoring and Evaluation Officer | THE HUNGER PROJECT, Mexico City

2009 - 2012

- Design and implementation of MEL Systems; and
- Design, implementation, and analysis of Participatory Rural Appraisals

## Consultant | ASHOKA MÉXICO & CENTRAL AMERICA, Mexico City

2010 - 2011

- Evaluation design; and
- Training and management of fieldwork teams for data collection exercises

## WORK AND PROJECTS THAT BEST ILUSTRATES MY SKILLS AND COMPETENCIES

Dashboard to Track Daily Poparted Cases of COVID10 in Mayica	2020
Dashboard to Track Daily Reported Cases of COVID19 in Mexico	Mexico
A personal and voluntary project to provide citizens with the most up-to-date information	Volunteer work
on the evolution of the emergency in Mexico. The objective is to make official data more	volunteer work
accessible to everyone and facilitate its visualisation. <a href="https://arau.shinyapps.io/COVID19-MX/">https://arau.shinyapps.io/COVID19-MX/</a> Social and Economic impact Assessment of mutation breading projects under the RCA	2019-ongoing
Design, development and deployment of a data management system, including online	Austria
forms and dashboards, for the monitoring and evaluation of mutation breading projects	IAEA
implemented by the International Atomic Energy Agency (IAEA)	IALA
Decentralized and Community Based Social Action (PROSAS)	2019
Design of fieldwork model and georeferenced data collection tools, training of local	Mozambique
teams and development of an interactive map to understand the coverage of social	UNICEF
protection services in Mozambique. <a href="https://mapa-social.com/">https://mapa-social.com/</a>	ONICLI
Evaluation of UK Partnering for Accelerated Climate Transitions (PACT)	2019 – ongoing
Design and implementation of results management systems and online dashboards to	Mexico, Colombia,
track the effectiveness of the programme's in enhancing actions and reducing climate	China
change in target countries. <a href="https://www.ukpactmel.com/">https://www.ukpactmel.com/</a>	BEIS
Strengthening Local Development in the Highlands and Rainforest Areas Project (PSSA)	2019
Training of enumerators, program of CAPI questionnaires (Survey Solutions), and	Peru
development of quality assurance tools to ongoingly monitor an agricultural survey to	IFAD
assess the impact of PSSA on the livelihoods of Peruvian farming families.	117.0
Rural Sanitation Operational Research (CLTS)	2019
Management of the water and sanitation household survey, CAPI coding (Survey	Ghana
Solutions), design and implementation, training of enumerators, and a quality assurance	UNICEF
system for the survey.	OTTICE
Rural Sanitation Operational Research (CLTS)	2019
Management of the water and sanitation household survey, CAPI coding (Survey	Malawi
<i>Solutions)</i> , and design and deployment of quality assurance system for the survey.	UNICEF
Enhancing Diagnostics for DFID's Public Finance & Tax Department (PFTD)	2019
Design and deployment of an online dashboard to monitor macroeconomic and public	United Kingdom
finance data to more rapidly identify trends and risks affecting multiple countries, and to	DFID
develop central policy responses.	DIID
Working to Improve Nutrition in Northern Nigeria (ORIF III) - Endline	2018
Working to Improve Nutrition in Northern Nigeria (ORIE III) -Endline Survey design and management CAPI programming (Survey Solutions) training of	2018 Nigeria

Kenya Programme Implementation and Beneficiary Satisfaction Survey (PIBS)	2017-2018
Design and management of a large-scale data collection to provide independent and	Kenya
rigorous data for the evaluation of PIBS. Development and implementation of a robust	World Bank
data quality assurance system for the survey. (Survey Solutions)	
Living Standards Measurement Study (LSMS)	2017
Management of the Living Standards Measurement Study (LSMS) household survey,	Madagascar
including listing; CAPI coding (Survey Solutions); and design and implementation of a	World Bank
quality assurance system for the survey.	
Evaluation of the Child Development Programme (CDGP)	2017 and 2018
Survey manager and quality assurance expert for a cash transfer programme for	Nigeria
pregnant women and women with children under the age of two. The evaluation aims to	DFID
assess CDGP's impact on maternal and child health. (Survey Solutions)	
Sierra Leone Secondary Education Improvement Programme (SSEIP)	2017
Design and management of a large school survey, development of tools and interactive	Sierra Leone
dashboards to assure the quality of the data and the performance of the field teams. The	DFID
aim of the survey was to assess the impact of SSEIP on education outcomes. (Survey	
Solutions)	
Working to Improve Nutrition in Northern Nigeria (ORIE)	2015
Survey design and management, CAPI programming (Survey Solutions), training of	Nigeria
enumerators and set up of quality assurance protocols and systems. The evaluation	DFID
aimed to assess the effect of ORIE at improving the nutritional status of children in	
Northern Nigeria	
CaSalud	2014
Evaluation design and coordination of data collection strategies to assess a National	Mexico
intervention that aims to help solve three of the most pressing challenges in the field of	Carlos S. Foundation
Public Health in Mexico: chronic non-communicable diseases, maternal and child	
mortality, and prevention disease by age group.	
Climate Change and Indigenous People of the Amazon	2013
Evaluation design and extensive data analysis of a project aimed to promote training and	United States
effective participation of indigenous communities in the process of consultation,	IDB
negotiation and decision-making on climate change issues in the Amazon basin.	

## **CONFERENCES AND SEMINARS**

European Commission & Government of Cuba | Havana, Cuba

Lecturer at Seminar on Impact Evaluation

2016 and 2017

# FELLOWSHIPS AND ADDITIONAL INFORMATION

European Commission Erasmus Mundus Fellowship Massachusetts Institute of Technology's online course "Evaluating Social Programs" 2012-2014

2014
